Editing Assignment Settings

This process describes how to change the assignment settings after the assignment has been created.

Note: Some settings CAN NOT be changed once there are submissions in the InBox

Step 1 – Access the Turnitin Assignment

• From the Control Panel in Blackboard choose the Turnitin Assignments link
• Choose the assignment from the list of Turnitin assignments

1. This will display the Assignment Inbox
Step 2 – Edit assignment settings

• Select the Edit assignment tab

• Confirm that you wish to delete the paper from your inbox, this action cannot be undone

Note: The following settings CAN NOT be changed once there are submissions in the InBox (ie one or more students have submitted to the assignment).
